

# Badfinger, When I Say

What you are is what I see  
What I see is what I want it to be  
When I say, "I love you"  
What I mean is I really do  
I'm not the one who'll give you everything you need  
But what I mean is that I'll try  
I can't deny that I've been burning inside  
For all the things I'll never see  
So come on, be yourself, nothing else  
Who could ask for any more  
And you know, they all love you  
What is more, I really do  
I'm not the one who'll give you everything you need  
But what I mean is that I'll try  
I can't deny that I've been burning inside  
For all the things I'll never see  
So come on, they all love you  
What is more, I really do
