Badlands, Show Me The Way

So many times, I walked away from your love
So little time to show you the way I feel

All I know
Is that I need to hold on to your love
Lead me to your heart, oh

Show me the way now, baby
Show me the way now, darlin'
Open up your lovin' heart

Show me the way now baby
I need to feel you in my arms
Show me the way into your heart

Just remember me baby, when I've gone away
Every time I feel the wind blow, I'll remember your way, yeah
So many times you held me close in times of need
And baby, it's time you bring me closer to your lovin' arms now, yeah

Show me the way now, baby
I need to feel you in my arms
Show me the way into your heart
Yeah, yeah, yeah

Show me the way now, baby
Open up your lovin' arms
Show me the way into your heart
Oh, yeah, yeah, yeah

(Solo)

Show me the way now, baby
Show me the way now, darlin'
Open up your lovin' heart, lovin' heart

Show me the way now, baby
I need to feel you in my arms now
Show me the way into your heart

Lead me, baby, to your lovin arms
I'll keep you dry in the pourin' rain, now, baby

And I'm lonely, baby
Every little day I'm closer to your lovin' arms, yeah, yeah

Show me the way, show me the way to your heart now, baby
Yeah, yeah
Show me a way into your lovin' arms and tell me that you're mine
