

Badlands, The Last Time

Love, love love love
Oh my sweet, young child
Livin' heartache alone
Pictures cry on the wall
Whispered sins, never `prise me to fall
Now you're twistin' it all
Wasted days are bringin' me down
Oh girl I'm losin' you
Shattered dreams
Spinnin' me `round
Oh girl, what can I do
The last time
I said I'm fallin' in love
Girl, it's the last time
I said I'm fallin' in love
No, no, no, yeah
I remember that night
And that very blind kiss
You knew I'd never love on a lie
But time after time
I'd be down on my knees
Beggin' like never before

Wasted days are bringin' me down
Oh girl, I'm losin' you
Shattered dreams
Spinnin' me `round
Oh girl, what can I do
The last time
I said I'm fallin' in love
Girl, it's the last time
I said I'm fallin' in love
No, no, no, yeah
(Solo)
Girl, it's the last time
I said I'm fallin' in love
Yes, it's the last time
I said I'm fallin' in love
You know, it's the last time
Baby, said I'm fallin' in love
The last time
I said I'm fallin in love
No, no, no
Girl, it's the last time, yeah
I said I'm falling for your love
Last time for love
