Badlees, The

The Unfortunate Result Of Spare Time

It Don't Matter Anymore To Me

I climbed up the mountain, i sailed across the sea

But it don't matter anymore to me

I sent my money to the preacher man, i prayed for the lottery

But it don't matter anymore to me

Everybody has somewhere else they think they wanna be

But it don't matter anymore to me

I visited the gypsy, i visited the shrink

But it don't matter anymore to me

I drank bourbon whiskey like it was goin' extinct

But it don't matter anymore to me

Everybody has someone else they think they wanna be

But it don't matter anymore to me

I jeopardized my friends and my own mental health

Just tryin' to defend my own opinion of myself

I gave it all my money, i gave it all my time

But i don't know why

Tried to please everybody all of the time

But it don't matter anymore to me

You no sooner change yourself then they change their mind

It don't matter anymore to me

Everybody knows someone else they think you oughta be

It don't matter anymore to me
