## Badlees, The Unfunny

Badlees Unfortunate Result Of Spare Time The Unfunny just be clever for clever's sake, starin' at the ceiling into shadow-fakes the circle-smokes in the ladies room only got you as far as the roles assumed a glimpse of the perfect crime is just a reverie away whadaya say we hang there a while for expediency's sake? and fantasize the great demise of the unfunny cut and dry, we'll bid good-bye to the unfunny their personality inspires like a five-pound bag of fertilizer like living in a house with fifteen cats,

you're unaware of the stench when a line goes flat a glimpse of the perfect crime is just a reverie away whadaya say we hang there a while for expediency's sake? and fantasize the great demise of the unfunny set 'em up, we'll drink a cup to the unfunny
