

# Badless, The, Angels Of Mercy

Badless, The  
River Songs  
Angels Of Mercy  
(alexander/badlees)

(chorus)

There must be angels of mercy  
Lookin' down on me  
'cause when i look up to the sky  
I swear i see  
Angels of mercy lookin' down on me

Well, i know what i know  
And you know what you know too  
And i know that you know  
Exactly what i think of you  
And if i were you and you were me  
I wouldn't blame you for not liking me  
Even though we aren't enemies

(chorus)

Time can have a way of changin'  
Everything you think is right  
And time can have a way of takin'  
Everything you hold too tight  
So you search for explanations  
And you find some now and then  
While the angels  
They're gettin' impatient  
With your experiments

(chorus)

I believe there's a power of healing  
That comes with experience  
I believe in believing your feelings  
Even when they make no sense  
But i believe that the way i'm going  
I'm gonna end up too soon dead  
Well, when asked to give my reasons  
This is what i said

I might have used my education  
If i gave a shit  
I might have spoke for my generation  
If i agreed with it  
Now some say that i've gone crazy  
But i ain't gone nowhere  
Some say i'm apathetic man,  
But i don't care

I admit that i'm a loser  
I admit that i am scum  
I admit i like cheap beer and women  
As much as anyone  
I don't worry about the future  
Who knows what that will bring  
I just wait and see what happens  
And pretend i planned the whole thing  
So let's see what tomorrow brings

(chorus 2x)
