## Badly Drawn Boy, Above You, Below Me

Badly Drawn Boy About a Boy Above You, Below Me Don't wanna give Don't wanna steer Don't wanna be anything im not You take answers I give questions Like some rolling monologue

Wanna be the one to say That today could be the day A pity to believe in what You know is what you know

I will take you as you are Please accept me as i am Find your lonely life bizzare Know it's above you know i know it's below me

## Always ??

Don't wanna live life in your shoes I don't feel i know the way Feeling you, giving me directions i don't need Up and up and round we go First it's fast and then we're slow Could u connect with my interlect

I wont take you as you are Please don't take me as i am Find your lonely life bizzare You'll see this in love You'll see this in life

For an all year round reception For a love with no connection Knowing you, knowing my Ignorance to more then life

Know it's above you, i know it's below me

I will take you as you are Please accept me as i am Find your lonely life bizzare Know it's above you know i know it's below me

I will take you as you are
Please accept me as i am
There'll be something in the wind
To show us the light and tell us we're wrong

I want to move on
