

# Badly Drawn Boy, Another Pearl

Badly Drawn Boy  
Hour Of Bewilderbeast  
Another Pearl

Why are you trembling so much,  
I don't think I ever felt so good.  
When all I need is to be free,  
Where I love you and you love me.  
Follow the circle sur le plage,  
On a mono-coloured trip voyage.  
This is the colour of my word,  
Stay watch me find another pearl.

Follow the gold leaf trail back where,  
We were young and had no care.  
Tracing the circles that we made,  
I don't wanna live a life in shade.  
Will this be a desert or a beach,  
Or a place to find the things we need.

Now you and I make up perfect things,  
Watch me trade my wheels for wings.  
But don't ever use those wings to fly  
Just the essence of a lullaby  
Now I am a giant grain of sand  
But I may be slipping thru your hand  
Follow my colour coded world  
And watch be find another pearl

It's a sound that I love  
And it came from above  
These's the sound of the sea  
Are you following me

Let's walk to the sound of distant shells  
To a place where life would have no end  
You'd be the mother of my pearls  
If you follow me into my world  
Back to a place where I'd be free  
Where I'd love you and you'd love me  
This is the colour of my world  
Go watch me find another pearl
