

Badly Drawn Boy, Donna & Blitzen

Merry Christmas

Pay for the light
But you may still slide
Baby it's not your sleigh ride
But this year is ours
Maybe tomorrow
We're gonna see things we never believed
I'll make you want me you'll see
The initial warning is free
But only to reindeer
Oh what a sight
As they take their first flight
Oh darling it's all in time
But I will (To repeat)

We're going to turn all men in to the sky
Oh what a sight, beautiful
And I will, I will sleep tonight

I will sleep tonight
