

# Badly Drawn Boy, Thinking Of You

Everybody let me tell you 'bout my love  
Brought to you by an angel from above  
Full equipped with a lifetime guarantee  
Everybody knows that you belong to me

Hey, it's you and the things you do to me  
That makes me love you  
Now I'm living in ecstasy

Everybody let me tell you 'bout my love  
Brought to you by an angel from above  
Full equipped with a lifetime guarantee  
Nothing can stop me  
?

It's you, and the things you do to me  
That makes me love you, now I'm living in ecstasy
