

# Badly Drawn Boy, You Were Right (Intro)

Badly Drawn Boy  
Miscellaneous  
You Were Right (Intro)

I always hoped I'd build my world around you  
And it's a miracle I ever found you  
Do the colours of the rainbow radiate to everyone  
Now I don't know how I could live without you  
But certainly I know I'm not about to  
I don't believe in anything I see unless I can feel it too
