Rimshot (Outro)

The rim shot, hey, c'mon

My rim shot, hey, digi, digi

The rim shot, hey, c'mon

I want my rim shot, hey, digi, digi

The rim shot, hey, c'mon

My rim shot, hey, digi, digi

The rim shot, hey, c'mon

Give it to me, give it to me....

boom-klat-boom-klat....

Get your stick up against that drum

I don't wanna hear no snare

C'mon, rim shot, I wanna hear it

Rimshot, oh, puts me on the clouds

I got to hear it loud, loud, loud, loud

I really dig the way you hear that stick

On the drum, pum, pum, pum, pum

I want my rim shot, hey, digi

The rim shot, hey, digi...

I, I, I, I wanna rim shot....[repeat til end]
