Baez Joan  
Come From The Shadows  
The Partisan (La Complainte Du Partisan) (3:17) (H  
They poured across the borders  
We were cautioned to surrender  
This I could not do  
Into the hills I vanished

No one ever asks me  
Who I am or where I'm going  
But those of you who know  
You cover up my footprints

I have changed my name so often  
I have lost my wife and children  
But I have many friends  
And some of them are with me

An old woman gave us shelter  
Kept us hidden in a garrett  
And then the soldiers came  
She died without a whisper

There were three of us this morning  
And I'm the only one this ev'ning  
Still I must go on  
Frontiers are my prison

Oh the winds, the winds are blowing  
Thru the graves the winds are blowing  
Freedom soon will come!  
Then we'll come from the shadow.
