Baha Men, Giddyup

Giddyup, hit um up, what part of party, don't you understand

Let your body move just shake it up

Get yourself in motion I'll tell you what

Raise your hands up high drop your hands down low

Just follow me now, 'cause it's time to go

Come on everybody, get it together

Don't wait forever, it's now or never

Giddyup, saddle up, what part of party, don't you understand

Work your body

Giddyup, saddle up, come on work your body like you know you can

Come on work your body

Come on girl sweat, move with me

Come on girl, sweat

What part of party, don't you understand

Let me tell you 'bout this place, I go to party

It's a secret, I can't keep so let me share

All the ladies always fine the fellas groovy

DJ's pumping, we gonna dance the night away, yeah

So come on with me, this house is bumpin'

The music's pumpin', my heart is jumping

Giddyup, saddle up, what part of party, don't you understand

Work your body

Giddy up, saddle up, come on work your body like you know you can

Come on work your body

Giddyup

Giddyup

Giddyup

Giddyup

Come on girl, sweat, move with me

Come on girl, sweat, groove with me

Come on girl, sweat, move with me

Come on girl, sweat, groove with me

Giddyup saddle up, or you can slip 'n' slide

Baby hold on tight and enjoy the ride

Girl, don't be scared why you acting shy

This is just a dream so help me fantasies

See you're the girl of my dreams that's without a doubt

I'm the one that will make you scream and shout

Let me take you to place have a party tonight

I'll do all the things, things you like

So get your saddle up and get yo ride on

'Cause ain't no chicken player here tonight

A G is the one that get's down and has no fright

And lyrically I be bustin' it right

And when you get down you gotta get yo ride on

This is storm on the microphone, and I be bussin' it

And were from the BAHAMAS

Now we comin' straight from the island we got to be the best, yes

So come on with me, this house is bumpin'

The music's pumpin', my heart is jumping

Giddyup, what part of party, don't you understand

Saddled up, what part of party, don't you understand

Giddyup, what part of party, don't you understand

Saddled up, what part of party, don't you understand

So come on with me, this house is bumpin'

The music's pumpin', my heart is jumping

Giddyup, saddle up, what part of party, don't you understand

Work your body

Giddyup, saddle up, come on work your body like you know you can

Come on work your body

Giddyup, saddle up, what part of party, don't you understand

Work your body

Giddyup, saddle up, come on work your body like you know you can

Come on work your body
