

# Baha Men, It's A Small World

It's a small world, it's a small world  
It's a small world, it's a small world  
It's a world of laughter, a world of tears  
It's a world of hope and a world of fears  
There's so much that we share, that it's time we're aware  
It's a small world after all  
It's a small world after all, it's a small world after all  
It's a small world after all, it's a small, small, small, small world  
There is just one moon and one golden sun  
And a smile means friendship to everyone  
Though the mountains be wide and the oceans are wide  
It's a small world after all  
It's a small world after all, it's a small world after all  
It's a small world after all, it's a small, small world  
It's a small world after all, no matter if you're big or small  
Come on everybody let's bounce to this  
Let's play some love with a little twist  
It's a small world, it's a small world  
It's a world of laughter, a world of tears  
It's a world of hope and a world of fears  
There's so much that we share, that it's time we're aware  
It's a small world after all, it's a small world  
It's a small world after all  
(After all, everybody now)  
It's a small world after all  
(After all, can you hear me now?)  
It's a small world after all  
(Come on, come on)  
It's a small, small, small, small world  
It's a small world, after all  
(After all, everybody now)  
It's a small world after all  
(After all)  
It's a small world after all  
It's a small, small, small, small world  
It's a small world after all, it's a small world after all  
It's a small world after all, it's a small, small, small, small world  
It's a small world after all, it's a small world after all  
It's a small world after all, it's a small, small, small, small world
