

Baha Men, Land Of The Sea And Sun

Many nights I sit here
With memories by the score
Thinking of the days I've spent
With the girl I still adore
So I'm going back to see her
Before all my days are done
Going back to see her
In the land of the sea and sun

Once I had a notion
About this Nassau girl
Put my thoughts in motion
And found my heart in a whirl
So I'm going back to see her
Before my days are gone
Going back to see her
In the land of the sea and sun

Ever since I've left her
Nothing has been the same
I think I'll pull up anchor
I'm going back to give her my name
Oh so many nights I sit here
With memories by the score
Thinking of the days I've spent
With the girl I still adore

Yes I'm going back to see her
Before my days are done
Going back to see her
In the land of the sea and sun
