

Baha Men, My Man Stanley

Do you know a guy who'll talk to a kangaroo?
Who's always ready to learn about something new
Who's favorite book has all the animals you can wish
Who's proud to say his best friend is a fish
That's why, he's my man Stanley, oh yeah
He's my man Stanley, welcome to Stanley's world
Come help him figure out what life is all about
Who'll take you swimming with dolphins, laughs with the lions too
No problem Stanley can't solve
In solvin' it involves havin' a friend like you
Hey Stanley, hey Stanley, havin' a friend like you
With a friend like you, hey Stanley
