

Baha Men, Summer Of Love

Baby, be mine in the summer of love
Spendin' time in the summer of love
I've been waiting all year for the summer
And a chance that I'll see you again
Hanging out at one beach or another
With friends, yeah
All the trees start to sway to the music
And the breeze starts caressing your hair
Summer love makes my heart
Sing and jump in the air
The days are getting longer
And the moon stays up all night
So be mine in the summer of love
Spendin' time in the summer of love
Everybody sing la, la, la
'Cuz everybody sing la, la, la, yeah
I don't know who you are, but I'll find you
Your face must shine like rays from the sun
Then I'll know you're the one
And the summer's begun
The days are getting longer
And the moon stays out all night
So, be mine in the summer of love
Spendin' time together in the summer of love
And everybody is going to sing la, la, la
Come on, everybody, la, la, la
Summer love is all around the world
Summer love is all around the world
Summer love is all around the world
So, listen to me, baby, listen to me, baby
Listen to me
Come on, my baby, let me work it
I want to whip it and we're down to the over
I may want you to work it
I may want you to turn it around now
I may want you to work it
You and me, that's how it's going to be now
Come on, my baby, let me work it
And you can be mine so bring it down to me
With that swing
The nights are getting longer
And the stars stay out all night
Everybody going to be all right
In the summer of love, the summer of love
Spendin' time together in the summer of love
Everybody is going to sing la, la, la
Na, na, na, la, la, la, oh, oh, la, la, la
Keep singing, la, la, la
Oh, yeah, oh, oh, la, la, la
