

# Bainbridge Merril, Reasons Why

Bainbridge Merril

The Garden

Reasons Why

I finally found the reason why

Everything I feel inside

Feelings that I cannot hide

Tell me that its you

Got me acting kinda strange

Like I'm on a different plane

Never thought I could explain

But I know that it's love

I finally found the reason why

Rainbow colours fill the air

People always stop and stare

Whenever I'm with you

Suddenly the flowers bloom

Whistling a happy tune

Never thought I'd understood

But now I know it's love

Cause when you smile and look at me

Then suddenly I know

Why the birds keep singing every place I go

I finally found the reason why

Everything is upside down

My feet don't even touch the ground

But I know that its love

Cause when you smile and look at me

Then suddenly I know

Why the birds keep singing every place I go

I finally found the reason why

Everything is upside down

My feet don't even touch the ground

But I know that its love

Yes it's love

I know that it's love

Yes it's love

It's love

Yes it's love

It's love
