

Bal-Sagoth, The Scourge Of The Fourth Celestial

"Uatu:" They possess power unparalleled... ageless, remorseless. Without pity or conscience. Mar

"Norrin-Radd:" Zenn-la! (My homeworld, denied me by the whims of Galan of Taa! I vow that ano
I beseech thee, great ones... spare this insignificant planet... this earth.

"The Living Tribunal:" Humankind, behold your creators... behold your destroyers.

"Arishem, Exitar... Judge and executioner!"

"Uatu:" They who sow the fields of the stars... They return to reap the evolution harvest.

"Arishem, Exitar... Judge and executioner!"

"The Infinity Watch:" Time, space, soul, mind, reality, power...

"Norrin-Radd:"

I am the last scion of Zenn-La,
Never more to embrace Shalla-Bal.
I was born to soar beyond the stars...

"Uatu:" And lo, the Exterminator, the Destroyer of Worlds, the Purifier of Galaxies...

"Norrin-Radd:" The edge of oblivion beckons... (the blood of countless billions stains these silver

"Arishem, Exitar... Judge and executioner.

I shall scatter your atoms to the four cosmic winds!

The Infinity Watch: Time, space, soul, mind, reality, power.

Hail Arishem! Hail Exitar! The Star-Gods have returned!"

"Norrin-Radd:"

The vast sea of stars stretches into infinity before me...
I am the last scion of Zenn-la,
Never more to embrace Shalla-Bal,
I was born to soar beyond the stars.
Paradise unearned is but a land of shadows.

"(The Scourge Of The Fourth Celestial Host is inspired by the Marvel Comics character The Silver
