

# Balance Of Power, When Heaven Calls Your Name

-And he will wipe out every tear from their eyes and death will be no more.  
No mourning, no outcry nor pain be anymore.

Suddenly it's colder, suddenly the sun has gone  
But if the real world's over then your life has just began

And if I promise not to cry, will you promise not to die  
Live on inside of me you stay forever young forever young

[chorus]  
When heaven calls your name  
Your spirit stays alive  
Safe in my heart  
When heaven calls your name  
You are free and you can fly  
Here in my heart

And if time can heal the pain  
Then I won't be healed again  
If your light went out too soon  
Then I'll burn the flame for you  
Burn the flame for you

[chorus]
