Ball In The House, All About Me

Ball In The House Miscellaneous All About Me As far as I can see Now its all about me Yeah--Ive had enough of talking about it Ive had enough of waiting for you All my life is passing before me You dont care, not at all Chorus: Its all right If thats the way it has to be You say you wanted to be free I think its time I see I cant do nothing for you So now its all about me Its all about me So now its all about me Im not trying to just run away But Im so tired of waiting for you I just need you to give me the chance But no-- you dont care Chorus 2x
