

# Ball In The House, Giving You Me

Verse 1:

Stormy weather is a thing of the past  
Now that we're together I know it's gonna last  
I'll take you higher than you've ever been before  
Come in lay down, yeah, and I'll lock the door  
Now that I've got you babe I'm never letting go  
Takin' you back, keepin' it on the down low  
I can feel it, I'm goin' under  
My heart is achin' rollin' like thunder

Chorus:

All I want to do is  
All I want to do  
Giving you me is all I want to do  
All I want to do is  
All I want to do  
Giving you me is all I want to do

Verse 2:

Look in deep to the depth of my soul  
Will this feeling ever end? Baby, I don't know  
Don't try to run girl, don't try to hide  
Just jump on board and enjoy the ride  
I close my eyes and I see your silhouette  
Lost in that world I don't wanna come back yet  
In here you're safe Baby, don't wanna see you go  
Don't rush relax, let's go nice and slow.

Chorus

Bridge:

Now you tell me that you're lookin' for true love  
I used to want the same thing...since then I wised up  
Been used to many times'been taken for granted  
Finding true love I've become disenchanted  
Stormy weather is what I'm living now  
I try to stop myself but Lord, I don't know how

Chorus 2x
