

Ball In The House, Home

Pick up, pick up, pick up

Pick up, pick up, pick up

Verse 1:

Didn't you care when I told you I would call you up at eight

Were you washing your hair when you didn't pick up

Were you laughing when you made me wait

Were you out with that guy when you left me pining, staring at the phone

Well, don't come crawlin' back to me when he drops you like a stone

Chorus:

You shoulda been home, why do I worry like I do

You shoulda been home, why do I waste my time with you

You shoulda been home, I finally caught on to your lies

You shoulda been home, why can't you look me in the eyes

Verse 2:

Didn't you notice all the times that I called you up just to hear your voice

Didn't you realize that I cared so much that I didn't really have a choice

What about all the times I held your hand and listened to you cry

All the things you don't say baby, are forcin' me to say good-bye

Chorus

Bridge:

I didn't give up on you, you didn't give up your love

But now I give up, you're done we're through

Chorus 2X
