Ballard Ashley  
Get In The Booth  
Why

Promises meant the world to me  
When they were plans of what our love would bring  
I couldn't wait for the time to see  
Your promises became reality  
But then one day things weren't the same  
I tried to figure out what changed  
Next day, you weren't there with me  
A sense of loneliness I couldn't believe

You told me that you would always love me  
How could you break this promise to me, baby?  
So why did you have to leave?  
Me with the wrong impression  
Now all I do is question

Why  
Did you have to break my heart? (Break my heart)  
Why (why, why)  
Did our love fall apart, boy? (Boy)  
Why (Why)  
Did everything seem so right just (Ooh)  
Tell me baby, won't you tell me  
Why  
Did you give up on loving me? (Loving me)  
Why  
When you had everything you needed? (thing you needed, yeah)  
Why  
How did our love just disappear?  
Tell me baby, won't you tell me  
Why

Can you explain why you would up and leave  
When all seemed well between you and me  
Don't understand how you could let this be  
A life without you being here with me  
I can't believe that you are gone  
What could I have possibly done wrong  
I've never hurt or caused any pain  
That would make you leave me this way  
Oh, baby

You told me that you would always love me  
How could you break this promise to me, babe?  
So why did you have to leave?  
Me with the wrong impression  
Now all I do is question

Why (Why, ooh, yeah)  
Did you have to break my heart?  
Why  
Did our love fall apart, boy? (why, did it fall apart boy)  
Why  
Did everything seem so right just  
Tell me baby, won't you tell me  
Why (why)  
Did you give up on loving me? (baby)  
Why (tell me why)  
When you had everything you needed?  
Why (how am i)  
How did our love just disappear? (baby, please tell me)  
Tell me baby, won't you tell me

Why  
Did you have to break my heart? (oo and why!)  
Why  
Did our love fall apart, boy? (our love just fall apart, boy)  
Why  
Did everything seem so right just (you gotta tell me, gotta tell me)  
Tell me baby, won't you tell me  
Why (Oooh, why)  
Did you give up on loving me? (yeah)  
Why (oh why)  
When you had everything you needed? (yeah!)  
Why (why, yeah!)  
How did our love just disappear?  
Tell me baby, won't you tell me (woah, ooh!)  
Why

I had given my all to you  
Without knowing that one day soon (one day soon)  
You would take away from me (take away)  
What had meant the world to me (ooo)  
Didn't all the promises  
You made to me  
About our love  
Mean anything  
And I can't believe that you and me  
Are not to be  
So can you tell me

Why  
Did you have to break my heart?  
Why  
Did our love fall apart, boy?  
Why  
Did everything seem so right just  
Tell me baby, won't you tell me (oooh, why)  
Why  
Did you give up on loving me? (oooh, why)  
Why  
When you had everything you needed? (oooh, why)  
Why  
How did our love just disappear?  
Tell me, oh baby, won't you tell me

Why  
Did you have to break my heart? (did you have to)  
Why  
Did our love fall apart, boy? (did love fall)  
Why  
Did everything seem so right just (everything was so right)  
Tell me baby, won't you tell me (so tell me why)  
Why  
Did you give up on loving me? (loving me)  
Why (why)  
When you had everything you needed? (coz everything)  
Why (oh!)

Tell me baby, won't you tell me (baby)
