Day To Day

Since you been gone, I get the strangest dreams  
What's going on, in every one it seems

You come to me, in slow motion, then you pledge your devotion  
Then I awake, I realize, you won't be coming back

Chorus:

I'm living day to day, now that you've gone away  
I just do what I have to do to get through the day  
I'm living day to day, and that's the way it will stay  
'Til you come back, I'll keep living day to day

And when it's light, I walk down the stairs  
I read the news, the weather's fine, who cares

I stand up, walk to the doorway, I look down on the floor lay  
Just one letter maybe two, but there ain't one from you

(chorus)

(Solo)

(chorus)

'Til you come back, I'll keep living day to day
