

Ballas Hough Band, Birthday

Words can't express how I've been feeling
Well since the day that I met you,
You've been running through my mind
And I can't get through to my feelings
And tell them to come back
Because I wanna be by your side
I keep telling all my friends about them,
the way that I feel whenever you're gone
So I'm stealing time to tell you what's on my mind
And that I'm feeling so strong
So what I gotta to get this in your head
Can you see it in my eyes when we're lying in bed
And if I'm losing you, I'ma put up a fight
Cause I wanna hold you all the time
Tell you that you're all that's on my mind
Baby, baby, please just dim the lights
Wanna treat you like your birthday
And give it to you your way
I wanna give it to you
I wanna give it to you
I wanna give it to you
I wanna give it to you
I wanna give it to you
I wanna give it to you
And I don't think we saw it coming
Because you never get it when you want it
I wanna take away your breath
Tell me you love me to death
And later on you'll get some loving
And I keep telling all my friends about
how much of you that I have been missing
So listen closely, you don't need to worry
Cause soon I'm gonna bathe you in kisses
So what I gotta do to get this in your head
Can you see it in my eyes when we're lying in bed
And if I'm losing you, I'm gonna put up a fight
Cause I wanna hold you all the time
Tell you that you're all that's on my mind
Baby, baby, please just dim the lights
Wanna treat you like your birthday
Give it to you your way
I wanna hold you all the time
Tell you that you're all that's on my mind (I wanna hold you baby)
Baby, baby, please just dim the lights
Wanna treat you like your birthday
Give it to you your way
I wanna give it to you
I wanna give it to you
I wanna give it to you
I wanna give it to you
I wanna give it to you
I wanna give it to you
