

# Balzac, Maybe The Future

We might find and feel something different (That's okay)  
Something I'm sure (That's alright)  
Spending countless year

Whatever happens I'm sure  
There's sacred hope (I can tell it)  
I can feel it(I can tell)  
What's in front of me now  
As long as there's  
I just wanna find out

I can't tell what it is  
But it's for sure  
Something in the other side  
Maybe the future

Yes, my dearest let's go finding out  
Shall we go find out  
Yes, my dearest let's go finding out
