

# Balzac, The Silence Of Crows

Go!!!

I just see another day  
Someone to see over tomorrow  
You must see yesterday  
I know what you did last day

The silence of crows  
The art of dying  
I'm walking the other way  
I don't care nothing changin' tomorrow

Kuzure ochi yuku gensoo no kagiri  
(\*The illusion's shadow goes to destroy the calm\*)  
Sozo sareta futashikana kozo  
(\*Uncertain structures are created\*)  
ume tsuku sareta hikari no naka ni ha  
(\*In the light, it starts to bury\*)  
(It is over!) The silence of crow  
No reason why

'Cuz just is  
(No reason why!) (x6)

So! The silence of crows

I just see another day  
Someone to see over tomorrow  
You must see yesterday  
I know what you did last night

The silence of crows  
The art of dying  
I'm walking the other way  
I don't care nothing changin' tomorrow

Tojikomerareta gensoo mo kageri  
(\*Confined illusion and shadows\*)  
Sugi saru kao ha futashikana shoozoo  
(\*Unsure images passing by my face\*)  
Kizamikomareta ikari no hate ni ha  
(\*Cut the anger's end\*)  
(It is over) The silence of crow  
No reason why

'Cuz just is  
(No reason why!) (x6)
