

Balzac, The Slaughter House

Better way (Go!)
That you go (I know!)
Your shadow and it covers on my Halloween
You remember nights when you slip away

Run away (Go)
Down this road (I know!)
Your shadow and it covers on my Halloween
You remember nights when you slip away

Lord of the Light and the Darkness
Don't forget the 13 Stairway
Lord of the Light and the Darkness
Don't forget the room number 308

Whoa-ohhh
Don't forget the room number 308!
Whoa-ohhh
Don't forget the room number 308!
Whoa-ohhh
Don't forget the room number 308!
Whoa-ohhh
Don't forget the room number 308!

(Repet all verses one more time)
