

Balzac, The Slaughter House

Better way (Go!)

That you go (I know!)

Your shadow and it covers on my Halloween

You remember nights when you slip away

Run away (Go)

Down this road (I know!)

Your shadow and it covers on my Halloween

You remember nights when you slip away

Lord of the Light and the Darkness

Don't forget the 13 Stairway

Lord of the Light and the Darkness

Don't forget the room number 308

Whoa-ohhh

Don't forget the room number 308!

Whoa-ohhh

Don't forget the room number 308!

Whoa-ohhh

Don't forget the room number 308!

Whoa-ohhh

Don't forget the room number 308!

(Repet all verses one more time)
