

Bamboo, So Far Away

So far away
Doesn't anybody stay in one place anymore
It would be so fine to see your face at my door
Doesn't help to know that you're just time away
Long ago I reached for you and there you stood
Holding you again could only do me good
How I wish I could but you're so far away
One more song about movin' along the highway
Can't say much of anything that's new
If I could only work this life out my way
I'd rather spend it bein' close to you
But you're so far away
You're so far away
Travelin' around sure gets me down and lonely
Nothin' else to do but close my mind
I sure hope the road don't come to own me
But there's so many dreams I've yet to find
But you're so far away
Doesn't anybody stay in one place anymore
It would be so fine to see your face at my door
And it doesn't help to know, it doesn't help to know
It doesn't help to know
You're so far away
