

Bamboo, Sunshine

sun is up, i've got so many things to do...
but it's alright (it's ok) i have to taste it
it's gonna be a good day (be a good day)

chorus:

wake up (wake up) it's a beautiful morning...
get up (get up) cheer the sunshine near ya...
wake up (wake up) it's just beautiful...
one good day coming up!!!!!!!!!!
