

Bamboozlers, Closer

Bamboozlers

Bamboozlers

Closer

words and music: Justin Moore

Your eyes, your smile,
When I'm with you, it drives me wild
Your voice, sound so sweet
You call my name, it makes me weak

Pre-Chorus:

But I'm scared, I won't stay strong
Oh I'm scared, you won't stay long

Chorus:

Baby, you're my heart, you're my soul
And I gotta let you know (I said)
Baby, when I'm with you, I feel alright
And I try to make it show

Your feel, your touch
All I want is just your love
I can't hold back, I can't restrain
I wanna hold you again

Prechorus: Chorus:

Prechorus: Chorus:

I want you closer
Girl I need you closer
Oh my hearts on fire
And the flame won't go out

I want your body
Up against my body
Wanna hold you close
Until the end of my life
