

Bamboozlers, Maybe It's Me

Bamboozlers
Bamboozlers
Maybe It's Me
words and music: Justin Moore

On the radio this morning
I heard our old song
I think back to the good times
And I wonder what went wrong
Was it miscommunication?
Or 'cause you had no trust in me?
Or was it lack of inspiration,
Or maybe, maybe it's just me

Water all around me
But nothing I can drink
There's light that surrounds me
But still I cannot see
I don't know what I'm feeling
It's not right, it can't be
I try to find something to blame
But maybe, maybe it's just me

Bridge: (Steven)
My stomach's all tied up in knots
I don't know how or what I got
But I know I'm confused
Where can I go I must slow down
My mind is turning upside down/ I can feel it

Chorus: (2x)
Maybe, maybe it's just me
I can't get to my heart
To guide me where to go
Maybe, maybe it's just me
I still can't find a way
To let my mind know (2nd time- Which way I want to go)
