

Bamboozlers, Pay The Price

Bamboozlers

Bamboozlers

Pay The Price

words and music: Steven Rhodes

When you let me go, I didn't know what to do
'Cause I was stuck, I was stuck on you
When you went away, it crushed me
It shattered all my hopes, my thoughts, and my dreams
And for a long, long time after that I didn't know what to do
No one ever saw me all I did was sleep and I stayed up in my room

Chorus:

Well Baby it's your fault now you don't lie
You broke my heart and now you'll pay the price
You could have me back but otherwise
You broke my heart and now you'll pay the price

So now please go away, leave me alone
Don't try to talk to me, don't call me on the phone
When you left, I was through with you
So now please leave, walk away from me
(Coda) And when you walk away don't turn around because you
won't find me behind you
'Cause you when you walked out of the door you didn't turn
around and I told you that we were through

Chorus
