

Bananafishbones, Queen Of Trouts

I'M Dreaming I'M The Guy On A Boat In Jaws
With Noone Around There To Wake My Charms
But A Shark Dragging Me Into The Sea
Waking Up And Early In The Morning
Got My Fishing Rod And The Sky Was A Burning
Dark Firey Purple Haze

There Is A Queen Of Trouts In The Sea
Many Men Had Tried
But Then She Came To Me
Other Thoughts Appeared To Me
But I Set Her Free
Many Thoughts Appeared To Me
But I

Was It The Heat The Booze Or The Weed
When All At Once I Heard Her Speak
Dear Boy Thanks For Setting Me Free
My Lovely Trout Much More I'Li Do
Come Let Me Swim With You
Cause There Is Nothing Else To Do

She Was The Queen Of Trouts In The Sea
And I Got A Wish Cause I Set Her Free
And She Was The Queen Of Trouts Here For Me
You Know That You Are Evrything To Me

Splashing The Water I Could Breathe
Though I Could Hardly Believe
I Was Sharing Someones Dream
Oh Lord Above Don'T Wake Me Up
Cause So Much I Enjoy My Luck
And Promise Ill Believe

Uhhh Queen Of Trouts In The Sea
You Know That You Are Everything To Me
And You Are The Queen Of Trouts Here For Me
You Know That You Are Everything To Me
You Know That You Are Everything To Me
You Know That You Are Everything

Splashing The Water
We'Re Dreaming While Thoughtlessly
Diving In Harmony
Nothing Is Better Than
Falling In Love
