

Bananafishbones, Swimming Pool

Somewhere there's a heart and it's angry
Somewhere there's a place that I belong
Somewhere it's light, somewhere it's black
Somewhere there's a place in which I grow strong

Is it you way to save my day or is it that you're just on my mind

Somewhere there's a girl and she is empty somehow
She can't find me anymore

Is it the way, I spent my days or is it that you're on my mind

And I stand here on the door with a broken birthday present
And I ain't got no mother fucking glue.

Is it the way I spent my day or is it that you're on my mind

And I just can't wait to see you here next to me
In my pool oh that's cool oh that's cool yeah so cool

(La la la la la la la la la ...)
