

# Bananarama, Give In To Me

Give  
Give in to me  
Give in, give in, give in, give in to me

Oh my love  
Give me your body  
Talk to me  
Tell me you want me

Come to me now  
Open your mind  
Secrets we'll share with each other

These moments we should keep  
Locked forever in our sleep  
Kiss, promise left untrue  
Nothing here but me and you

Give  
Give in to me  
Give in, give in, give in, give in to me

Can't you hear  
Softly I'm calling  
Lay with me  
I'll show you the morning  
Violet to blue  
I think of you  
Whispering softly  
You want me

These moments we should keep  
Locked forever in our sleep  
Kiss, promise left untrue  
Nothing here but me and you

Give  
Give in to me  
Give in, give in, give in, give in to me

Give  
Give in to me  
Give in, give in, give in, give in to me

These moments we should keep  
Locked forever in our sleep  
Kiss, promise left untrue  
Nothing here but me and you

Give  
Give in to me  
Give in, give in, give in, give in to me
