

Bananarama, I Could Be Persuaded

It's getting late
And it's cold outside
I wonder should I wait
Or should I say goodbye

But I ain't too sure
If I should be staying
Taxi's waiting
But here in your arms
I could be persuaded

But here with you
Ooh it feels so right
I just close my eyes
And lose track of time

But I ain't too sure
If I should be staying
Taxi's waiting
But here in your arms
I could be persuaded

When we touch
Doubts fade away
But I just don't know
If I should stay

Your taxi's waiting
I could be persuaded
Oh

But I ain't too sure
If I should be staying
Taxi's waiting
But here in your arms
I could be persuaded

I could be persuaded
Ooh, I could be persuaded
Your taxi's waiting

Ooh, I could be persuaded
