Bananarama, I Could Be Persuaded

It's getting late
And it's cold outside
I wonder should I wait
Or should I say goodbye

But I ain't too sure
If I should be staying
Taxi's waiting
But here in your arms
I could be persuaded

But here with you Ooh it feels so right I just close my eyes And lose track of time

But I ain't too sure
If I should be staying
Taxi's waiting
But here in your arms
I could be persuaded

When we touch Doubts fade away But I just don't know If I should stay

Your taxi's waiting I could be persuaded Oh

But I ain't too sure
If I should be staying
Taxi's waiting
But here in your arms
I could be persuaded

I could be persuaded Ooh, I could be persuaded Your taxi's waiting

Ooh, I could be persuaded
