

# Bananarama, Look On The Floor

It's close to midnight  
And I'm leavin' now  
I'm getting in my car  
I'm headin' out

And I can't slow down  
Cos I don't know how

You got my number  
So we'll be fine  
So go and use it  
Just don't waste my time

Cos you're on my mind  
And you know I'm right

(Bridge)  
You take me over  
Stay with me and  
We'll fade away

(Chorus)  
Look on the floor  
And all are spinnin' round

Someone told me this  
was just a dance  
And take a chance  
And I'll give you more  
Do you really think  
We have a chance

Devils in your eyes  
And he's lookin' at me  
I know what you want  
And you know what I need

Come and show me how  
How do you get down

(Bridge)

(Chorus)  
Repeat Chorus

Chance X 11  
Do you really think we have a chance

(Chorus X2)
