

Bananarama, Strike It Rich (12" Version)

Ain't life a bitch

Whoever said the best things are free
Let me tell you it don't come easy
Life's a game but I still believe
You have to take it seriously

(bridge)
The world tells so many lies
They say
Money talks, hum
But listen to me

(chorus)
Gotta take control
And you can never stop
You gotta keep on climbing till you reach the top
Never giving up
Ain't life a bitch
You gotta keep on going till you strike it rich

Don't let them tell ya you ain't got a soul
Only sinners cast the first stone
And even if the sidewalk ain't gold
Anyone can be bought and sold

(bridge)

(chorus)

Don't let them tell ya you ain't got a soul
Only sinners cast the first stone
Life's a game but I still believe
You have to take it seriously

(bridge)

(chorus x 3)

You gotta take control

(chorus ad lib)
