

Banaroo, Be My Satellite

Dam daba dam daba da....

hear my s.o.s.

help me be my guide

be my satellit

i lost my way tonight

so be my satellit

i need you by my side

be my satellite

i hope youll soon arrive

be my satellite

Vers1

calling you calling you

i need you today

cause i lost my direction in the endless milky way

emergency emergency

navigate me home

i cant find a way back i cant find it on my own

come to me come to me

please dont hesitate

you have to arrive in time before it is to late

help me please help me please

its gettin dangerous

is there really no one who recive my sos
