

Banaroo, Bling Bling Here Bling Bling There

Bling Bling here, Bling Bling there
Bling Bling evrywhere
Take me to the promised land
Theres Bling Bling in the air
Bling Bling here, Bling Bling there
Bling Bling evrywhere
Pimp me up, I like your style
Youre all I want to wear
The diamonds in your eyes
Are brighter than the skies
The jewels in your smile
Are more than just a style
You are my lucky star
And Christmas is no far
Tonight we bling the Xmas tree
Cause we are family
Bling Bling here, Bling Bling there
Bling Bling evrywhere
Take me to the promised land
Theres Bling Bling in the air
Bling Bling here, Bling Bling there
Bling Bling evrywhere
Pimp me up, I like your style
Youre all I want to wear
Your heart is like a pearl
Take me around the world
The rubies in your hair
Make evrybody stare
Sometimes youre cold as ice
My door to paradise
Tonight we bling the Xmas tree
Cause we are family
