

Banaroo, Ringa Ding Dong

You got that
ringa ding ding a ringa ding dong
your phone is gonna start the fire
ringa ding ding a ringa ding dong
we gonna have a party tonight

pick up the phone when your parents sleep
youre on your own you know time is on your side
thats all that we believe can you feel it?

Tonight is the night and were leavin all the trouble behind
we will party all night long
well never feel the same

you got that
ringa ding ding a ringa ding dong
your phone is gonna start the fire
ringa ding ding a ringa ding dong
we gonna have a party tonight

gimme the call that im waitin for
i want it all and i know it cant be wrong
so deep inside my heart i can feel it
cause i have a dream
and i wonder if youre feelin for me
youre my sun and youre my rain
i hope you feel the same

you got that
ringa ding ding a ringa ding dong
your phone is gonna start the fire
ringa ding ding a ringa ding dong
we gonna have a party tonight
