you know were gonna have a good good time  
we're gonna sail , yea, we're gonna dance together  
we're gonna have a lot of things to do  
cuz' time stands still whenever we're together  
you know my heart belongs to you you  
and we can look up, the stars just guide us  
now we don't have to worry bout a thing  
we'll sail the world and we'll find a little island  
you know we're gonna have a good time yea yea  
and everyday will look and find new treasures  
i know alot of places where we can be  
i have a map yea it leads to secret pleasures  
i'll make your heart belong to me me yea yea  
do you want to follow me like i want to follow you  
now this pirates wild and free and you belong to me
