

# Banaroo, Superhero

I'll be your superhero  
I'll never let you down  
I'll be there when you need me call me  
I'll always be around

Verse one

beneath my wings rest your head

I will cover you

If you're lost and alone

I will rescue you

With your faith and your trust

We're invincible

I'll be your hero

you are the one who knows my secret

that I lead a double life

you understand I have a mission

but everything is still alright

verse two

to the sky I will fly

if you ask me to

if you're lost in the dark

I will bring light to you

with my hand on your heart

I'll be there for you

I'll be your hero

if you need me I'll save you

know these words I say are true

and even if I'm on my journey

I'll still be there for you

C-Part

I have searched through the universe

For someone just like you

You're so amazing in every way

And in everything you do
