

Banaroo, Sweet Inspiration

Sweet inspiration
Tell me whats behind blue eyes
Youre my final destination
Please dont tell me lies
Sweet inspiration
Nothings gonna stop us now
Evrybody rocks the nation
Ready, Steady, Go!
Paradise will last forever
Summer turns to fall
Wintertime is now or never
See the writing on the wall
Sweet inspiration
Tell me whats behind blue eyes
Youre my final destination
Please dont tell me lies
You dont need an invitation
Love will never die
Sweet inspiration
Tell me whats behind blue eyes
Youre my final destination
Please dont tell me lies
Paradise will last forever
Summer turns to fall
Wintertime is now or never
See the writing on the wall
