

Banaroo, X-mas Toy

Lonely days without you
Lonely nights about to
Break my heart on a cold winter day
Tell me if you care for me
Youre my secret fantasy
Youre my saviour, favourite flavour Xmas toy
Lonely days without you
Lonely nights about to
Break my heart on a cold winter day
When I give my heart away
Nothing left for me to say
Youre my lover, undercover Xmas toy
Lonely days without you
Lonely nights about to
Break my heart on a cold winter day
Never thought Id fall for you
Now I know, I love you too
Youre my pleasure, hidden treasure Xmas toy
Lonely days without you
Lonely nights about to
Break my heart on a cold winter day
